354 Main Street

MEMPHIS AND TEXAS. Texas, until recently, has had the tion for immigrants from Norfolk to be the next mayor. No one else can 354 MAIN STREET, MEMPHIS reputation of being merely an agriculreputation of being merely an agricul-tural region, with a capacity for cotton roads. The cars used for this transports-forces, which are well drilled, and will products in the valleys of its streams, thou are second-class passenger-coaches, go to the polls like a disciplined and of grazing on its prairies. While these important features remain others no less interesting have now to be added to the attractions of that State. We companies forming this line to the attractions of the manufacture of the companies forming this line to the factor of a single commander. The signal bugle-call to the Republican better every sold.

Sweet Cider by the barrel or gallon. Choice Apples a good supply. Wichita colonization, agricultural, mining and manufacturing company, which is addressed to farmers, mechanics, miners and northern men of all ochies, miners and northern men of all ochies, miners and northern men of all ochies, west, they have similar railroad which betokens the encouragement of Nuts-all kinds. Sweet Shaker Corn. countering the connections direct to the very heart of tague, Jack and Young counties, of that State, cost, equal to any west of the solutions Mississippi, is found in inexhaustible transportation by the shortest and most ley mob, abuses, license and Impunity quantities. Iron ore also abounds yielding a metal fully equal in richness time, give them as much comfort as true, tell me what is? If the election of to that of the Iron mountain of Missouri, the low rate of fare will justify. John Loague does not forebode all the while copper, not surpassed by that of Whenever a railroad line can offer these consequences of a rush of the horde of Michigan, is found in unlimited abund-inducements it holds the key to the ignorant barbarians to place, power and ance. Besides these important elements of manufacture, there are lead, route from Norfolk to Memphis surely upon the conservative men among Rebismuth, salt, antimony, asphaltum and petroleum, together with gold and everything that is required to make it to this matter, and to ask themselves silver-bearing quarts of great richness. The population of this great western the enterprising managers of the dif-State is rapidly on the increase, and ferent roads forming this connection, tration is in the hands of the construction of the Texas Pacific railroad, which passes through this fine mineral region, will swell the tide of immigrants, and give additional impetus to the development of Texas. Memphis has a deep interest in the prosperity of the great west, especially that portion of it lying along or in the vicinity of the same parallel of latitude on which she is situated. To Texas in particular she looks for an increase of her wholesale trade, and it her rail communication with the west is extended into that State she will not look in vain. Through this city and look in vain. It will be the city abroad, and for the dawning vandalism at home which the dawning vandalism at home whic look in vain. Through this city and migration, of New York, yielding to a recover, while this would be a suicide,

TEMPERANCE INVESTIGATION.

Senator Hawes has introduced a curious bill into the senate of the United to become the cotton mart of South traffic, and provides for the appointment setting the ambition of St. Louis to beby the President, with the consent of come a great cotton center. However vestigate the alcoholic liquor traffic in its economic, criminal, moral and scientific aspects, in connection with pauperism, crime, social vice, the public health, and the general welfare of the have mentioned before, that the the prevention of intemperance in ern port. We deem New Orleans pre-They are to be appointed from year without salary or other compensation, except payment of incidental exresident, by whom, it shall be transmitted to congress. The report of these commissioners, if made with care and diligence, must be of the very deepest interest to the people. There is York. The rigors of a northern winter hardly a subject now under discassion in this or any other mated, while the temperature of our millions will be added to the curness of mankind is more closely involved than in that of temperance. The custom of using intoxicating liquors as custom of using intoxicating liquors as custom of using intoxicating liquors as immigration, will impress this last con- and as we need currency, in the south, a beverage is daily adding to its list of sideration, especially on their clients. followers, and the amount of suffering, of sin, and sorrow, resulting from this habit, is fearful to contemplate. Neither moral suasion nor legislative prohibition has succeeded in establishing a prophylactic against drunkenness. The

Their cakes and ale, nence. Though these have their points of recommendation, they also have and what should have been a kindly elixir, "making glad the heart," becomes the Circe cup which transforms the man into a beast. Such a man should not even "look upon the wine when it is red, when it giveth its color in the cup." It was not against the temperate use of stimulants that the royal Israe! fulminated his "Who hath woe?" he asks; "who hath sorrow? who hath contentions? who hath babbling? who hath wounds without cause? who hath redness of the eyes?" And zen of North Carolina, who rendered the answer comes: "They that tarry good service in the Confederate army long at the wine " Every man should know his weak points-and he is a wise ful butchery of the crew of the illfated man that guards them-and he who Virginius, tendered his services to Gencannot taste of the cup without being eral Grant with the following comled into drunkenness should never taste mand: five hundred able bodied men, it under any consideration.
